FLOOR DEBATE

March 28, 2002 LB 791

SENATOR CHAMBERS: ...would you have supported what the public did in putting the lottery in place in the first instance?

SENATOR BOURNE: Would I have supported the public putting the lottery into statute the way it is now?

SENATOR CHAMBERS: In the Constitution, yes.

SENATOR BOURNE: Probably would have.

SENATOR CHAMBERS: Would you support what the public did in putting term limits into the constitution?

SENATOR BOURNE: I do...I...no, I didn't vote for that because I think particularly as it's unique to the Unicameral, that's poor policy.

SENATOR CHAMBERS: So you do exercise judgment and discretion and select the issues with which you agree with the public on?

SENATOR BOURNE: In...you bet, and just as I select not to support your bracket motion.

SENATOR CHAMBERS: And thank you, Senator Bourne, and it shows that sometimes you're wise and sometimes you're not wise. And in the latter case, you're not wise. Mr. President, in order not to drag this out, I'm going to ask for a call of the house. Mr. President, I'll ask for a call of the house...

SPEAKER KRISTENSEN: It's been requested...

SENATOR CHAMBERS: ...and I will start with a machine vote.

SPEAKER KRISTENSEN: There's been a request...you want to do the call of the house before you do the machine vote?

SENATOR CHAMBERS: Yes, yes.

SPEAKER KRISTENSEN: There's been a request to place the house under call. All those in favor vote aye; all those opposed vote nay. Record.
